DESCRIPTION

Boasting exceptionally low mileage for its age, this 2019 Kia Picanto 3 is a truly remarkable find. With only one owner from new and a full dealership service history, including a recent service at 5846 miles in March 2025, this Euro 6 compliant 1.25L petrol model offers peace of mind. Its MOT is valid until March 2026, and it comes with a 12 month warranty for added security. You'll appreciate the convenience of a reversing camera system with dynamic guidelines, Apple CarPlay and Android Auto with voice control, and automatic air conditioning. The automatic headlight control further enhances your driving experience. This Kia Picanto 3 stands out due to its very low mileage of just 6123 miles, indicating it has been lightly used and well cared for. Its low insurance group rating also makes it an economical choice for many drivers, suggesting lower running costs compared to similar vehicles. This combination of minimal use, comprehensive servicing, and desirable features makes this Picanto an excellent option for those seeking a reliable and well maintained compact car.
