## DESCRIPTION

This 2023 Kia Rio T GDi 3 is a superb example, boasting only one owner and an impressively low mileage of just 14017 miles for its age. This Euro 6 compliant 1.0 litre petrol hybrid model comes in the well appointed 3 trim, offering a comfortable and convenient driving experience. You'll appreciate the thoughtful features designed for your comfort, including a heated steering wheel and heated front seats, perfect for colder mornings. Navigating tight spaces is made easier with rear parking sensors, and the automatic air conditioning ensures a pleasant cabin temperature year round. The automatic light control adds further convenience, ensuring your headlights are always on when needed. This Kia Rio stands out with its generous boot space, offering ample room for shopping or luggage, making it a practical choice for everyday life. Furthermore, its low insurance group rating indicates that running costs are kept to a minimum, a significant advantage compared to many other vehicles in its class. With its single owner history and low mileage, this Rio represents excellent value and a well cared for vehicle.
