DESCRIPTION

Discover this 2020 Kia Picanto X Line, a compact car that offers a blend of style and practicality. Powered by a 1.25 litre petrol engine and meeting Euro 6 emission standards, this model is designed for efficient urban driving. The X Line trim comes equipped with useful features to enhance your driving experience, including rear parking sensors and a reversing camera system with dynamic guidelines, making manoeuvring in tight spaces much simpler. You'll also appreciate the convenience of automatic headlight control and air conditioning, ensuring comfort in various conditions. This Kia Picanto stands out with its low insurance group, which can help to keep your running costs down. Furthermore, its low CO2 emissions indicate a more environmentally conscious choice compared to many other vehicles in its class. These highlights demonstrate how this particular Picanto offers excellent value and a more economical ownership experience.
