DESCRIPTION

This 2022 Kia Rio 2 presents an exceptional opportunity with its incredibly low mileage of just 5508 miles, a testament to its careful single ownership. This Euro 6 compliant, 1.2L petrol model offers a practical and efficient driving experience, featuring automatic light control for convenience, rear parking sensors to aid manoeuvring, and air conditioning to ensure comfort in all conditions. The Kia Rio 2 stands out with its impressive fuel economy of 52 mpg, indicating it is more economical than many similar vehicles. Its low CO2 emissions are also a significant advantage, contributing to lower running costs and environmental impact. Furthermore, the generous boot space makes it a versatile choice for everyday needs, and its placement in a low insurance group further enhances its appeal as an affordable and sensible option.
