DESCRIPTION

This 2024 Kia Picanto GT Line presents an exceptional opportunity with an incredibly low mileage of just 4067 miles, a testament to its careful single ownership. This stylish GT Line variant is powered by an efficient 1.0 litre Euro 6 petrol engine, offering a smooth and economical driving experience. For added convenience and safety, it features automatic headlight control, manual air conditioning to keep you comfortable, and a reversing camera system complemented by rear parking sensors to assist with manoeuvring. The striking LED front lightbar enhances both visibility and the car's modern aesthetic. The Kia Picanto GT Line stands out with its remarkably low insurance group, making it an affordable choice for many drivers. Furthermore, its low CO2 emissions highlight its environmental consideration and contribute to lower running costs. With only one owner since new and such minimal mileage for a 2024 vehicle, this Picanto offers excellent value and peace of mind, indicating it has been well looked after and is ready for its next chapter.
