DESCRIPTION

Boasting an incredibly low mileage of just 6103 miles, this 2023 Kia Picanto 1.0 DPI 1 is a truly exceptional find. With only one owner from new and a full service history, including a recent service on 27 January 2026 at 5946 miles, this car has been meticulously cared for. Its MOT is valid until January 2027, and it benefits from a substantial 47 months of remaining warranty, offering peace of mind for its next owner. This Euro 6 compliant model also features convenient Bluetooth with music streaming and automatic headlight control. This Kia Picanto stands out with its impressive fuel economy, achieving a remarkable 59 miles per gallon, which is significantly better than many other vehicles in its class. Furthermore, its low insurance group and low CO2 emissions highlight its cost effectiveness and environmental consideration, making it an economical and sensible choice for everyday driving.
