DESCRIPTION

With an incredibly low mileage of just 2055 miles, this 2022 Kia Picanto DPi X Line represents a superb opportunity to own a nearly new vehicle. This one owner, Euro 6 compliant, 1.0 litre petrol model boasts a full service history, with its last service completed on 18 February 2026 at 2055 miles, and benefits from an MOT valid until September 2026. Inside, you'll find a host of convenient features including Apple CarPlay and Android Auto with voice control, automatic headlights, rear parking sensors, and air conditioning, all designed to enhance your driving experience. This Kia Picanto X Line stands out with its exceptional fuel economy of 52 mpg, making it a very economical choice for your daily journeys. Its low CO2 emissions further contribute to its cost effectiveness and environmental consideration. Furthermore, its position within a low insurance group highlights its affordability, indicating that running costs are kept to a minimum compared to similar vehicles. With 42 months of its manufacturer warranty still remaining, this Picanto offers peace of mind for the discerning buyer.
