## DESCRIPTION

This 2019 Kia Sportage T-GDi GT-Line presents an exceptional opportunity with remarkably low mileage for its age, having covered just 43,350 miles. This Euro 6 compliant model boasts a powerful yet efficient 1.6 litre petrol engine paired with a Four Wheel Drive drivetrain, offering confident handling in various conditions. The GT-Line trim level ensures a premium experience, enhanced by features such as front and rear parking sensors with a reversing camera system, and LED Bi-Function headlights with adaptive lighting for improved visibility. Inside, you'll appreciate the convenience of Bluetooth with voice recognition for seamless connectivity and music streaming, alongside dual automatic air conditioning for personalised comfort. This Sportage stands out from others in its class due to several key advantages. Its impressive 0-60mph acceleration time of 8.8 seconds demonstrates its spirited performance. Furthermore, the generous boot space provides ample room for luggage, shopping, or sporting equipment, making it a practical choice for families and active individuals alike. The vehicle also benefits from a low insurance group, which can contribute to lower running costs. These combined elements highlight the Sportage's blend of performance, practicality, and affordability.
