DESCRIPTION

This 2022 Kia Picanto DPi Shadow is a superb example of a well maintained compact car. This Euro 6 compliant model features a responsive 1.0L petrol engine and is presented in the desirable Shadow trim. Inside, you will find a host of convenient features designed to enhance your driving experience, including Apple CarPlay with Voice Control, allowing seamless integration with your iPhone. Stay comfortable in all conditions with Air Conditioning, and enjoy your favourite music on the go thanks to Bluetooth with Music Streaming. Navigating tight spaces is made easier with the Reversing Camera System, complete with dynamic guidelines, and for added convenience, the Automatic Headlight Control ensures your lights are always on when needed. The Kia Picanto DPi Shadow stands out with its impressive fuel economy, achieving a highlight of 58 miles per gallon, which is excellent for its class. This vehicle also benefits from a low insurance group, making it an economical choice for many drivers. Furthermore, its low CO2 emissions highlight its environmental consideration. These factors combined indicate that this Picanto offers a more cost effective and efficient ownership experience compared to many other vehicles in its segment.
