DESCRIPTION

With only one owner and a full service history, this 2022 Kia Niro 3 electric vehicle presents a superb ownership proposition. It boasts a substantial 68 kWh battery, offering a maximum range of 285 miles when new, ensuring you can travel further on a single charge. Convenience is key with features like a wireless phone charger and Bluetooth with music streaming. For added comfort on colder days, it includes a heated steering wheel, and parking is made easier with rear parking sensors. The dual LED headlights provide excellent visibility, illuminating your journey. This Kia Niro 3 stands out with its impressive electric capabilities, including a rapid charging time of just 43 minutes from empty to 80% at a public charging station, and a full home charge taking approximately 9 hours and 25 minutes. The large boot space offers ample room for luggage or shopping, making it a practical choice for everyday use and longer trips. With MOT valid until September 2026 and a significant portion of its manufacturer warranty remaining, this Niro offers peace of mind and excellent value.
