## DESCRIPTION

This 2021 Kia Soul First Edition boasts a single owner from new, offering a well cared for electric driving experience. As an electric vehicle, it features a substantial 68 kWh battery, providing a maximum range of 280 miles when new. This model comes equipped with a Smart Key and Engine Start-Stop Button for convenient entry and ignition, alongside heated front seats for added comfort. Enjoy your favourite music with Bluetooth connectivity and music streaming, further enhanced by the premium Harman Kardon sound system. For seamless smartphone integration, it includes Apple CarPlay with voice control. The impressive 280 mile range highlights the Kia Soul's capability for longer journeys, setting it apart from many electric vehicles. When it comes to recharging, a full charge at home using a 7kW charger takes approximately 9 hours and 35 minutes, ideal for overnight top ups. For quicker power boosts on the go, the fastest public charging time from empty to 80% is a swift 54 minutes. These charging times and the extensive range demonstrate the practicality and efficiency of this electric Kia Soul First Edition.
