## DESCRIPTION

This 2020 Kia Niro 4 is a remarkable find, boasting a single owner and an exceptionally low mileage of just 40,000 miles for its age. As an all electric model, it offers a substantial battery total capacity of 68 kWh, providing a maximum range of 282 miles when new. This Niro 4 comes equipped with desirable features such as heated front seats for comfort, adaptive smart cruise control with stop and go functionality for effortless journeys, and single automatic air conditioning to maintain the perfect cabin temperature. You'll also appreciate the convenience of a wireless phone charger and Android Auto with voice control, keeping you connected and entertained on the go. The impressive 282 mile maximum range from new sets this Kia Niro apart, indicating its superior capability compared to many other electric vehicles. Charging is also efficient, with a full charge at home taking approximately 9 hours and 35 minutes using a 7kW charger, and a rapid charge from empty to 80% achievable in just 54 minutes at a public charging station. This combination of long range, convenient charging, and a wealth of modern features makes this low mileage, one owner Kia Niro 4 an excellent choice for those seeking an efficient and well equipped electric car.
