DESCRIPTION

This 2023 Kia Picanto DPi 2 is a superb example, having had only one owner since new. This stylish hatchback is powered by an efficient 1.0L Euro 6 petrol engine, making it a sensible choice for everyday driving. Inside, you'll find a comfortable cabin equipped with air conditioning to keep you cool, and Bluetooth connectivity with music streaming so you can enjoy your favourite tunes on the go. The automatic headlight control ensures your lights are always on when needed, adding to the convenience and safety of this well appointed vehicle. The Kia Picanto 2 trim is designed to be economical to run, boasting an impressive fuel economy of 59 miles per gallon. This model also benefits from a low insurance group, which can help to keep your running costs down. Furthermore, its low CO2 emissions mean it is kinder to the environment. These highlights demonstrate how this particular Picanto offers excellent value and efficiency compared to other vehicles in its class.
