DESCRIPTION

Boasting exceptionally low mileage for its age, this 2021 Kia Sportage GDi 2 is a superb example of this popular model. With only 35,264 miles on the clock and a full service history, including a recent service on 2026 03 19 at 35,264 miles, this Euro 6 compliant 1.6 litre petrol vehicle offers peace of mind. You will also receive 12 months MOT upon purchase, ensuring its roadworthiness. Inside, you'll find convenient features such as a reversing camera system with rear parking assistance, automatic headlights, and seamless integration with both Apple CarPlay and Android Auto, all controllable via voice command. This Kia Sportage stands out with its generous boot space, perfect for families or those needing extra room for luggage or shopping. Its low insurance group rating also makes it an economical choice for many drivers, indicating it is better than other similar vehicles in this respect. The inclusion of rear parking sensors further enhances its practicality, making manoeuvring in tight spaces simpler and safer.
