## DESCRIPTION

This 2023 Kia Picanto T GDi GT Line S is a superb example, having had only one owner since new. This stylish hatchback is powered by an efficient 1.0 litre petrol engine, meeting Euro 6 emissions standards. Inside, you'll find a host of desirable features designed for comfort and convenience, including heated front seats, Bluetooth connectivity for music streaming, and a wireless mobile phone charger. Navigating tight spaces is made easier with rear parking sensors, and the smart key with an engine start stop button adds a touch of modern sophistication. The performance of this Picanto is also noteworthy, achieving 0 to 60 miles per hour in just 9.9 seconds, demonstrating its responsive nature. Its fuel economy is a significant advantage, offering up to 53 miles per gallon, which indicates it is more economical than many other vehicles in its class. Furthermore, its low CO2 emissions contribute to a more environmentally friendly driving experience, setting it apart from less efficient alternatives.
