## DESCRIPTION

Discover this 2021 Kia Soul First Edition, an electric vehicle offering an impressive new battery range of 280 miles. This model, presented in the First Edition trim, boasts a substantial 68 kWh battery capacity. For your convenience, a full charge at home using a 7kW charger takes approximately 9 hours and 35 minutes, while rapid public charging can replenish the battery from empty to 80% in just 54 minutes. This Kia Soul First Edition comes equipped with a range of notable features designed to enhance your driving experience. Enjoy the comfort of a heated steering wheel, and benefit from rear parking sensors for easier manoeuvring. Stay connected and entertained with Bluetooth featuring music streaming, and seamlessly integrate your smartphone using Android Auto with voice control. Furthermore, a wireless mobile phone charger keeps your devices powered up on the go. These highlights demonstrate how this Kia Soul First Edition offers a superior and more convenient driving experience compared to similar vehicles.
