DESCRIPTION

This 2019 Kia Sportage GDi 2 boasts an impressive MOT valid until August 2026, offering peace of mind for the coming years. With a low mileage of just 42,000 miles for its age and a full service history, including its last service on 2025-04-01 at 36,791 miles, this Euro 6 compliant 1.6L petrol engine vehicle has been well cared for. Inside, you'll find comfort features like heated front and outer rear seats, alongside the convenience of a reversing camera system and rear parking sensors. Stay connected with Bluetooth featuring voice recognition and music streaming, and enjoy a comfortable cabin environment thanks to dual automatic air conditioning. The Kia Sportage GDi 2 stands out with its generous boot space, perfect for all your luggage or shopping needs. Furthermore, its low insurance group rating indicates that running costs are likely to be more affordable compared to similar vehicles. These highlights, combined with its comprehensive service record and long MOT, demonstrate that this Sportage offers excellent value and reliability.
