Boasting an exceptional provenance, this 2019 Kia Picanto T GDi GT Line S has been cherished by just one owner and benefits from a full service history, with its last service completed on 2025 06 19 at 26801 miles. This Euro 6 compliant 1.0 litre petrol model comes with an MOT valid until March 2027 and a 12 month warranty for your peace of mind. Its low mileage of 29266 miles for its age is complemented by a suite of desirable features, including a wireless mobile phone charger, Apple CarPlay with voice control, and a reversing camera system with dynamic guidelines. You'll also appreciate the convenience of Bluetooth with music streaming and a heated steering wheel for those colder journeys. The performance of this Kia Picanto is noteworthy, achieving 0 to 60mph in just 9.8 seconds, a figure that highlights its brisk acceleration compared to many vehicles in its class. Furthermore, its low CO2 emissions are a significant advantage, indicating a more environmentally conscious and potentially more economical driving experience than other similar cars.
