## DESCRIPTION

This 2023 Kia Picanto DPi 3 is a superb example, having had only one owner since new. This stylish hatchback is powered by an efficient 1.0L petrol engine and meets the Euro 6 emission standards. It comes equipped with useful technology such as rear parking sensors and a reversing camera system with dynamic guidelines, making manoeuvring a breeze. Inside, you'll appreciate the convenience of automatic air conditioning, and staying connected is simple with both Android Auto and Apple CarPlay, both featuring voice control. The Kia Picanto DPi 3 offers several advantages that set it apart. Its impressive fuel economy of 53 mpg means fewer trips to the petrol station, and its low CO2 emissions are beneficial for the environment. Furthermore, its low insurance group rating indicates that running costs will be kept to a minimum, making this a very economical choice for everyday driving.
