## DESCRIPTION

This 2024 Kia Picanto DPi X Line S presents an exceptional ownership proposition with its remarkably low mileage of just 7746 miles and a full dealership service history, most recently serviced on 2026 03 10 at 6897 miles. This Euro 6 compliant 1.0L petrol model has had only one owner since new. It comes equipped with a suite of convenient features including a reversing camera system with dynamic guidelines and rear parking sensors to aid manoeuvrability, automatic air conditioning for a comfortable cabin environment, automatic headlight control for effortless night driving, and a wireless mobile phone charger for seamless connectivity. The Kia Picanto X Line S stands out with its impressive fuel economy of 52 mpg, demonstrating its efficiency compared to other vehicles in its class. Furthermore, its low CO2 emissions and low insurance group rating contribute to lower running costs, making it an economical choice for many drivers. This combination of low mileage, comprehensive service history, and cost saving highlights makes this particular Picanto a compelling option.
