DESCRIPTION

Discover this 2020 Kia Soul First Edition, an electric vehicle designed for modern driving. With a substantial 68 kWh battery, this Soul offers a maximum range of 280 miles when new, ensuring you can travel further on a single charge. Charging is convenient, taking approximately 9 hours and 35 minutes at home using a 7kW charger, while rapid public charging can replenish the battery from empty to 80% in just 54 minutes. This First Edition model comes equipped with impressive features to enhance your journey. Enjoy clear visibility with dual full LED headlights, stay connected with Bluetooth and music streaming, and maintain a comfortable cabin temperature with single automatic air conditioning. The Head Up Display provides key information without diverting your attention from the road, and heated front seats offer extra comfort. These highlights demonstrate how this Kia Soul stands out, offering a compelling blend of electric performance, extensive range, and advanced technology for a superior driving experience.
