DESCRIPTION

This 2023 Kia Stonic T GDi 2 is a standout choice, having been owned by just one person and boasting exceptionally low mileage for its year at only 15134 miles. This stylish compact SUV is powered by an efficient 1.0 litre petrol engine, meeting Euro 6 emission standards. Inside, you'll find modern conveniences such as air conditioning to keep you comfortable, and seamless integration with your smartphone through Apple CarPlay and Android Auto, both featuring voice control. For added ease and safety, it includes automatic headlights that switch on when needed and rear parking sensors to assist with manoeuvring. The Kia Stonic T GDi 2 offers several advantages that set it apart. Its impressive fuel economy of 51 miles per gallon means fewer trips to the petrol station, making it an economical choice for your daily driving. Furthermore, its low insurance group rating suggests that running costs will be kept down, and its low CO2 emissions are beneficial for the environment. These highlights combine to make this particular Stonic a smart and practical option.
