DESCRIPTION

Discover this 2018 Kia Picanto GT Line S, a stylish and practical choice for your next car. This model boasts a 1.25 litre petrol engine and meets Euro 6 emissions standards, making it an efficient option. Inside, you'll find a range of convenient features designed to enhance your driving experience, including rear parking sensors for easier manoeuvring, heated front seats for comfort in colder weather, and Bluetooth connectivity for seamless music streaming. Plus, enjoy the convenience of a wireless mobile phone charger and a smart key with an engine start stop button for keyless entry. This Kia Picanto GT Line S stands out with its low insurance group, indicating that running costs are kept to a minimum, which is a significant advantage over many other vehicles. Furthermore, its low CO2 emissions highlight its environmental consideration, offering a more economical and eco friendly drive. These factors combined make this particular model a smart and appealing choice for those seeking a well equipped and cost effective compact car.
