DESCRIPTION

This 2016 MINI Clubman Cooper boasts an MOT valid until October 2026, offering you peace of mind for the road ahead. Under the bonnet, you'll find a responsive 1.5 litre petrol engine, compliant with Euro 6 emissions standards. This particular Cooper model features stylish black roof and mirror caps, a practical heated front windscreen for those chilly mornings, and convenient Bluetooth connectivity for both telephone audio and hands free calls, complete with a USB audio connection. Manual air conditioning ensures a comfortable cabin environment whatever the weather. The MINI Clubman Cooper is designed to be an economical choice, achieving an impressive fuel economy of 55 miles per gallon. This, combined with its low insurance group and low CO2 emissions, means it is likely to be more affordable to run and maintain compared to many other vehicles in its class. These factors highlight how this MINI Clubman Cooper offers a compelling blend of style, practicality, and cost effectiveness.
