Fuel Consumption	68.9 milesPerGallon

DESCRIPTION

This 2019 Citroen C1 VTi Flair is a standout example, having been cherished by just one owner from new and boasting exceptionally low mileage of only 19,707 miles. This compact and stylish city car is powered by an efficient 1.0L petrol engine, meeting Euro 6 emission standards. Inside, you'll find a user friendly 7in Touch Drive Interface compatible with both Android Auto and Apple CarPlay, making connectivity seamless. The Flair trim also includes practical features such as folding front seats with a return to position function, air conditioning to keep you comfortable, and a DAB digital radio with Bluetooth handsfree and steering mounted controls for your entertainment and convenience. The benefits of choosing this particular Citroen C1 are clear. Its impressive fuel economy of 52 mpg means fewer trips to the petrol station, while its low insurance group rating and low CO2 emissions highlight its affordability and environmental consideration, making it a sensible choice compared to many other vehicles in its class. Furthermore, the inclusion of a reversing camera with parking assistance adds an extra layer of confidence when manoeuvring in tight spaces.

Snows House, Second Avenue, Millbrook, United Kingdom,
