DESCRIPTION

This Peugeot 208 Active from 2016 boasts a full service history, including its most recent service on 19th November 2025, and is a Peugeot manufacturer approved vehicle with MOT valid until November 2026, offering peace of mind with a 6 month warranty. This well maintained 1.2L petrol model, adhering to Euro 6 emissions standards, has had only two owners and comes equipped with desirable features such as rear parking aid with rear sensor and a reversing camera, alongside manual air conditioning and Bluetooth connectivity. The Peugeot 208 Active stands out with its impressive fuel economy, achieving a highlight of 63 miles per gallon, which indicates it is more economical than many similar vehicles. Furthermore, its low CO2 emissions and low insurance group highlight its cost effectiveness for everyday driving, making it a sensible choice for many drivers.
